ONLINE BIDDING

LIVEAUCTIONS.TV will provide real time bidding. Live streaming of the auction will be available to bid on animals if you are unable to attend the sale. Visit www.liveauctions.tv or contact Ben Gleason at 785.640.9390 for more details and information.

TERMS AND CONDITIONS

Cattle will sell under the standard Terms and Conditions as recommended by the American Angus Association. Terms are CASH. All cattle are to be paid for sale day and will not be released until settlement has been made.

HERD HEALTH

All lots have been parent verified and are AM, CA & NH free by pedigree or test. All bulls have passed a fertility exam and have been vaccinated. All cattle will be accompanied by proper health certificates for immediate shipment.

RETAINED INTEREST

Sellers will be retaining 1/3 semen revenue sharing interest in every bull selling unless otherwise stated. Full possession and salvage value belonging to the purchaser unless otherwise stated. Females sell in their entirety.

SUPPLEMENTAL INFORMATION

A supplement sheet will be available sale day with complete and up-to-date information. Announcements from the auction block take precedence over printed information.

FIRST BREEDING SEASON GUARENTEE

All bulls selling for over \$3000 are fully guaranteed the first breeding season. A breeding season is defined as the 90 day period following the first turnout of the bull. This is a fertility guarantee. This guarantee does NOT cover non breeding injuries resulting from accident or gross negligence. If a replacement bull is available, he will be provided or if the buyer prefers, credit toward one bull will be given in the following sale, less salvage value of the injured bull. All injured bulls must be diagnosed by a licensed veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage.

TRUCKING

May-Way Farms will cover the first 500 miles of delivery to centralized locations. **All bulls picked up within 48 hours of sale will be discounted \$50.** Bulls can be kept at MW until April 1st @ the **risk of the new owner.**

VIDEOS

All lot videos can be viewed at www.maywayfarms.com

EPDS

All bulls have genomic enhanced EPDs with Angus GS and listed EPDs are current as of 02/13/2021.

Welcome

Welcome to the 10th annual May-Way Farms Bull & Female sale! We want to start off by thanking you for taking the time to look through our offering and the interest in our program. There are a variety of pedigrees to choose from and genetics that will certainly work for a variety of environments and programs depending on specific goals for your personal operation.

Last year at this time we were being faced with one of the coldest, wettest winters we had seen in decades. The new year brought us nice January weather, but as I sit to write this we are experiencing one of the coldest February months we have seen in a long time. Spring calving has begun and we have been busy preparing for the sale. With the difficulties the weather has faced us, it has been a slight challenge getting updated pictures on the offering. Although there were many bulls that were pictured early when they were greener, we feel that they are really turning the corner. As always, the Fall bulls were pastured on fescue with protein supplement. The Spring bulls were weaned in September and were kicked back out to grass to help preserve feed. Both sets of bulls were put on a high roughage diet while on pasture starting just after Thanksgiving. Currently the bulls are still on pasture as we feel exercise is critically important for their development. We strive to develop our bulls to be FIT not FAT.

This year we have decided to offer a select few yearling females in the sale. They are daughters out of some of our most productive herd sires as well as a few current popular AI sires such as Ashland and Stunner. These females are out of the heart of our herd and out of breed prominent cow families. Many of these females are siblings to high selling, powerhouse bulls from past sales. We hope that these females will continue to do for you what their ancestors have done for us.

As many of you know, we are a family ran cattle and row crop operation. This farm and these cows are our life, and we are thankful to be a part of such a great industry.

We invite you to stop in any time prior to the sale to view the bulls and females. Videos on all lots will be available for viewing on our website, www.maywayfarms.com. Updated pictures of the bulls and females will be online prior to the sale. Please do not hesitate to contact myself or any of the representatives listed with any questions you may have or any assistance needed.

We look forward to seeing you March 13th!

Thank you,

Jason Flory

The Flory Family

The Cowman's Formula

HOW MUCH CAN YOU AFFORD TO PAY FOR A TOP BULL?
Increase in pounds per calf from a top performance bull!

of cows bred to him per year X # of years to keep the bull X Expected selling price of calves
= Additional dollars you can pay for a better bull

EXAMPLE: A bull who will add 30 lbs. to the weaning weight of each of his calves mated to 25 cows per year for 4 years and you sell the calves for \$2.00 per pound

$$30 \text{ lbs per calf} \times 25 \text{ cows} = 750 \text{ lbs} \times 4 \text{ years} = 3000 \text{ lbs} \times \$2/\text{lb} = \$6,000$$

This bull is worth \$6,000 more than the average bull who will keep your weaning weights the same. Take this formula, put your own figures in and see what you can afford to pay. This equation does not consider the increase in value due to calving ease, higher quality replacement heifers, yearling growth, feedlot gain and carcass quality.

Your name means everything.

We get it. Your brand is your legacy – what you fight for and work to leave behind. We're proud to stand by you with a spirit of innovation, a passion that runs as deep as yours and a guiding integrity that drives us to do what's right. For your operation and for you.

That's why Merck Animal Health Works.
